Public Safety Enhancements

BAC Recommendations

- **Maintain relationships with police, merchants and the community**
- **Encourage the police to provide more direct intervention with the youth**
- **Use creative solutions other than simply arresting youth**
- **Assign officers to patrol commercial areas**

Public Safety Enhancements

Current Agency Commitments

- **MPD is currently interviewing candidates for the vacant Community Outreach Coordinator for the Capital Community in the Bellevue area**
- **PSAs 706 and 710 increased foot and bicycle patrols in the 3900 and 4000 blocks of South Capitol Street**

Workforce Development

BAC Recommendations

- **Connect residents to employment opportunities generated by housing development and infrastructure improvements**
- **Focus on Teen Parents and Dropouts age 16-21 and Community Re-entry ADULTS 21-UP**
- **Identify and evaluate the quality of existing programs and outcome base**
- **Develop one stop Human Service Implementation Plan**

Workforce Development

Current Agency Commitments

- **DOES will continue to market the Work Opportunity Tax Credit program as an incentive for businesses to hire District residents**
- **DOH is developing a solicitation for short and long term residential drug treatment centers**
- **DOES has a CVS/South Capitol One-Stop Career Center at 4049 South Capitol Street**

Youth Development

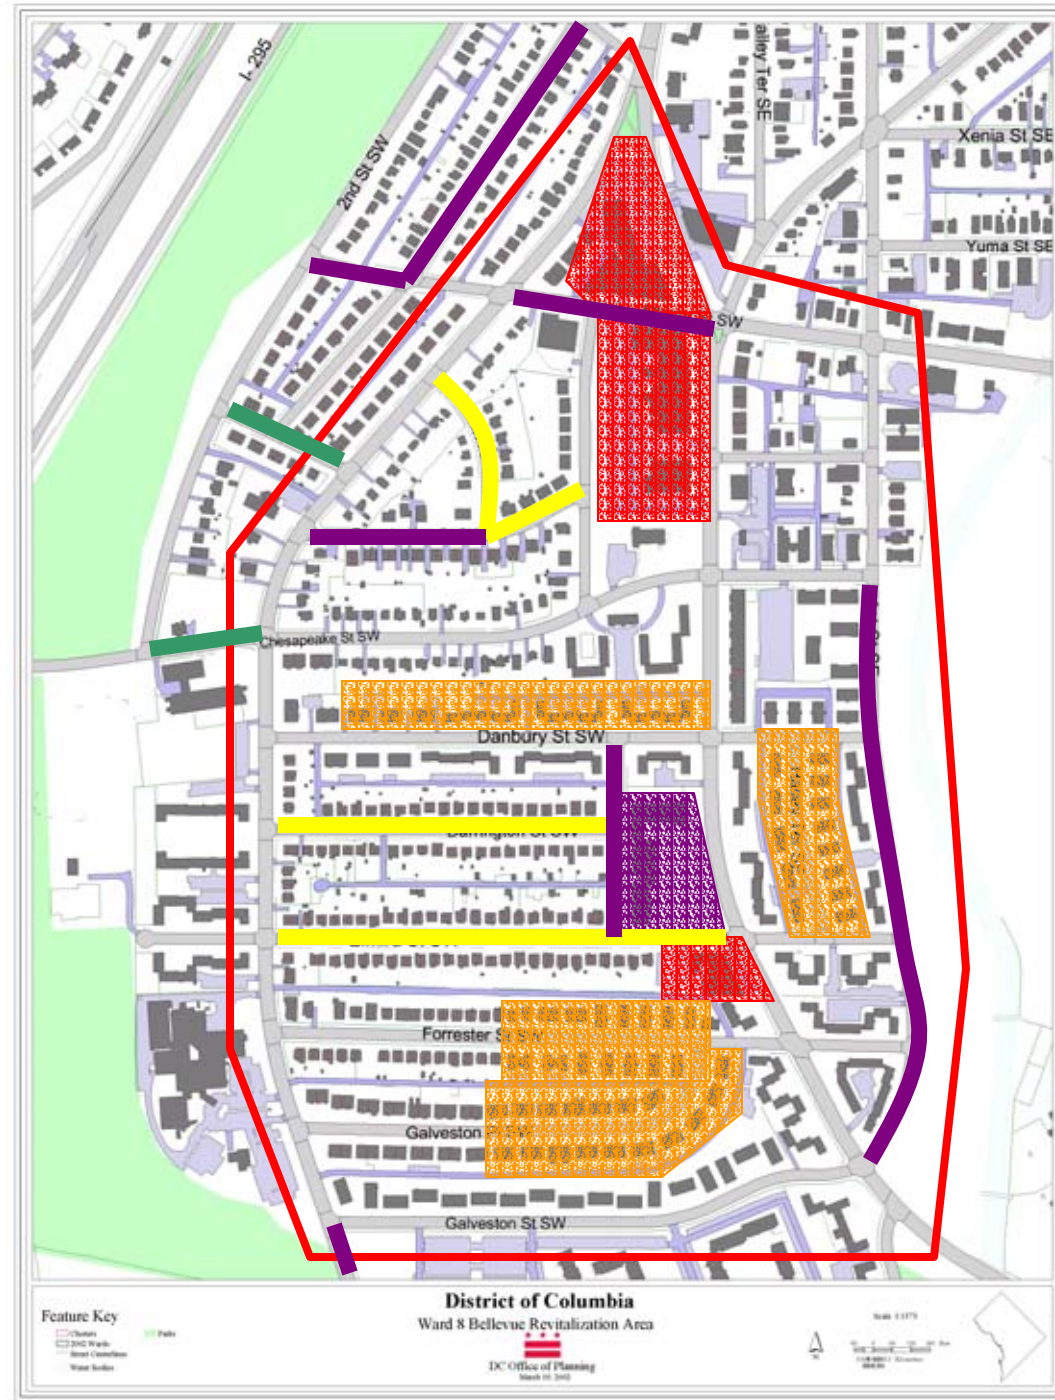

BAC Recommendations

- **Focus on youth from age 5 to 25**
- **Promote youth job readiness and entrepreneurial skills**
- **Increase the amount of youth participating in programs**
- **Encourage more parental and community involvement in youth development**

Youth Development

Current Agency Commitments

- DCPS budgeted \$15.3 million to construct a new Patterson Elementary School
- DPR will implement an African American history related enrichment curriculum at the Southeast Tennis and Learning Center
- DCPL will develop a short and long-range master facilities plan for major renovations of its facilities

Next Steps

- **Determine method for ongoing community outreach and public notification**
- **Create and distribute a Master Workplan with timelines and expected outcomes to turn recommendations into actions**
